<p style="background-color: #2e8b57; color: white; padding: 2px; margin-bottom: 5px;">Connect to this Credential</p> <p>About this Credential</p> <p>Increase your earning potential, job security, and opportunities for advancement by earning your bachelor's degree in information technology. In addition to providing a solid foundation in computer information systems and technologies, this degree program includes multiple industry-recognized certifications, such as CompTIA and CIW. These certifications are built in to the degree program and do not add time or additional costs-but do add to your résumé as soon as you've earned them, even before you complete your degree!</p> <p>Designed with input from industry experts, the B.S. Information Technology degree program is composed of five primary areas of study: systems and services, networking and security, scripting and programming, data management, and the business of IT.</p> <p>Estimated Time to Earn</p> <p>Minimum: 1 year Maximum: 3 years</p> <p>The average time it takes to complete the online degree program at WGU is just over two years, significantly less than at other online schools. For students with little or no prior college, it takes longer. Ultimately, the pace at which you complete your online B.S. Information Technology degree program depends on how rapidly you pass assessments.</p> <p>Credential Status Type</p> <p>Active</p> <p>Credential Type</p> <p>Bachelor's Degree</p> <p>Alternate Name(s)</p> <p>BS Information Technology</p> <p>Audience Levels</p> <p>Bachelors Degree Level</p> <p>Subjects</p> <p>Business of IT - Applications Business of IT - Project Management Cloud Foundations College Algebra</p> <p>Critical Thinking and Logic Data Management - Applications Data Management - Foundations</p> <p>Emerging Technologies English Composition I English Composition II Ethical Situations in Business</p> <p>Finite Mathematics Information Systems Management Integrated Physical Sciences</p> <p>Intermediate Algebra Introduction to Communication Introduction to Geography</p>	<p style="background-color: #2e8b57; color: white; padding: 2px; margin-bottom: 5px;">Available Online</p> <p>Jurisdiction</p> <p>This credential can be used in:</p> <ul style="list-style-type: none"> United States <p>Owned By</p> <p style="background-color: #2e8b57; color: white; padding: 2px; margin-bottom: 5px;">Western Governors University</p> <p>Western Governors University (WGU) is an accredited online university offering online bachelor's and master's degree programs.
