Credential Engine Welcomes Lee Lambert as New Board Member

July 5, 2022 (Washington, D.C.) – Credential Engine welcomes Pima Community College Chancellor Lee Lambert to its Board of Directors. Chancellor Lambert brings deep expertise in the areas of education, employer partnerships, creative engagement of students to support equity, and collaboration with industry certification bodies to ensure relevance. With his addition, Credential Engine's Board of Directors comprises members spanning education, workforce, human resources, labor, and policy.

"I am honored to join an organization that's truly on the cutting edge of the changes now taking place in higher education and providing much-needed clarity and solutions for the increasing number and variety of degrees, certificates, certifications, and other credentials," said Lee Lambert, Chancellor, Pima Community College.

Chancellor Lee Lambert has been the Chancellor of Pima Community College since July 2013. Throughout his community college career, he has been an innovator in connecting industry and community colleges in order to revitalize communities through educational opportunities in an age marked by rapid technological and demographic change. Chancellor Lambert has long held that community colleges such as Pima are uniquely positioned to address systemic educational and economic inequity.

Chancellor Lambert is a graduate of The Evergreen State College in Olympia, Washington. Chancellor Lambert also received a Juris Doctor degree from Seattle University School of Law and a bachelor's degree in Liberal Arts from Evergreen. In addition to receiving his Bachelor of Arts and Juris Doctor degree, Chancellor Lambert is a U.S. Army Veteran.

"We are excited and honored to have Lee join the board," says Scott Cheney, CEO of Credential Engine." "His extensive experience and expertise, creativity in meeting the needs of students, workers, and employers, and success in creating effective partnerships will be a tremendous benefit to the board and organization."
